ACKNOWLEDGEMENT

I thank and praise god almighty for immense Grace and Blessing, in taking up this major project and to complete this work successfully.

It is my privilege and pleasure to express my sincere gratitude to **Rev. Dr. M. Arockiasamy Xavier SJ**, Principal of St. Joseph's College (Autonomous) Tiruchirappalli-2, who gave me a chance for the master's degree.

I take immense pleasure to offer my thanks to **Dr. D.P. Jeyapalan**, Head, Department of Computer Science, St. Joseph's College, Tiruchirappalli-2, for providing me, the precious opportunity to undertake this major project work.

With a deep sense of gratitude, I owe my profound thanks to my respectful guide **Dr. A. Jenifer Jothi Mary**, Assistant Professor, Department of Computer science, St. Joseph's College, Tiruchirappalli-2, for her valuable guidance, inspiration, and support for the inception of this major project work.

With a deep and profound sense of gratitude, I extend my gratitude of thanks to my class In-Charge **Prof. D.S. Ravi**, Associate Professor, Department of Computer Science, St. Joseph's College, Tiruchirappalli-2.

I thank my friends for their support in times of difficulties. Once again I thank one and all, who indirectly involved in the successful completion of this major project work.
